BENTLEY

PRESENTING
YOUR BENTLEY 2022
BENTAYGA V8

YOUR PAINT

Onyx

Onyx uses a hint of dark blue, mixed with darker tones to create the deepest black finish imaginable. It was the launch colour of the striking Continental Flying Spur Speed model.

YOUR INTERIOR

Interior Colour Split - B in Saddle and Beluga

Hand-picked from herds that graze high above sea level in Northern Europe, all leather hides used to upholster the Bentayga are naturally free of the insect bites that could otherwise leave blemishes in the leather.

YOUR VENEER

Piano Black

To complement the contemporary character of the Mulsanne Speed interior colour split, we have developed a unique veneer option - Piano Black with Carbon Fibre waistrail inlays. The inlays are styled to enhance the signature shape of the Mulsanne waistrail. The Carbon Fibre is hand-laid to ensure a perfect weave structure and the surface finish has been especially developed for the Mulsanne to match the rich, lustrous Piano Black.

YOUR WHEELS

22" Five Spoke Directional Wheel - Polished

The largest wheels ever made available on a production Bentley, these wheels are machined from a high-strength aluminium forging for optimum strength and lightness. The wheels are handed, ensuring the spokes always face the same direction on both sides of the car.

*This option is subject to regional availability. Please contact your regional Bentley Sales Advisor for more information.
